Registration sent to the organizer

The organizer will review your registration as soon as possible and ensure it complies with the tournament rules and regulations.

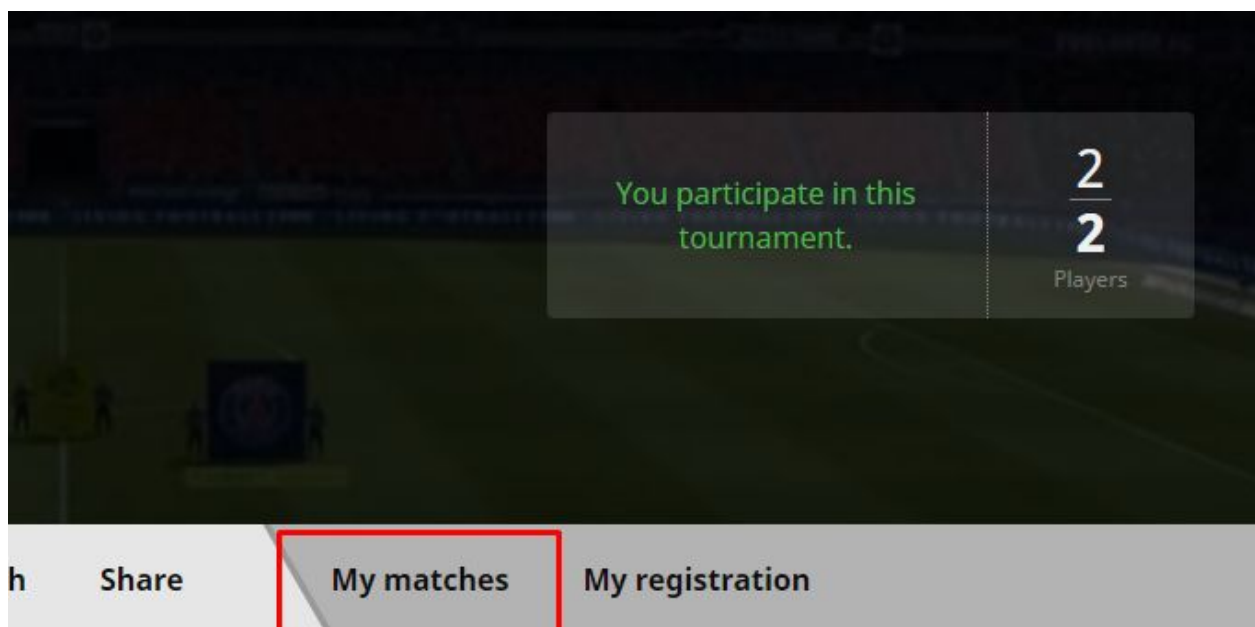

You can view and edit your registration before it is accepted with the "My Registration" link in the tournament navigation bar.

Upon validation, you will receive an email to inform you of the next steps. You can also check the status of your registration in [your tournaments](#).

After you filled out all the information and sent it, tournament organizer will check information and if they are all correct, they will accept it.

BEFORE AND IN THE MATCH

At the tournament date, you will see your matches under the "My Matches" tab. You can access it from the tournament link that sent you on your corporate e-mail.

If you click the active match that showed in the picture below, you can go to match lobby. In the match lobby you can add the player by their name shown on the page and start your match.
